Coaches Information Packet

Boys Coaches & Gym Owners,

The New York Alliance is an independent men's competitive team that was founded in 2015 to unite adult gymnasts that live, train, work, or go to school full-time in New York State. Since 2018, the New York Alliance has been part of the national GymACT League of independent competitive teams. The New York Alliance provides gymnasts the opportunity to continue to train and compete at an elite level beyond high school. Additionally, the New York Alliance supports and facilitates the growth of grassroots gymnastics and junior boys competitions across New York.

This year at the Alliance Open, the New York Alliance Men's Team will be hosting Temple University in the Saturday night GymACT Session. Your athletes will be able to see some high level gymnastics and learn more about opportunities to continue gymnastics beyond high school.

As an independent competitive team, the New York Alliance must fundraise an annual operational budget of over \$25,000 that covers the costs of uniforms, warm ups, league fees, meet entry fees, insurance fees, judges fees, and travel costs to all away meets. The proceeds from the Alliance Open go directly toward the New York Alliance's annual operational budget. Your attendance at the Alliance Open goes a long way towards ensuring the sustainability of men's competitive gymnastics in New York State. Thank you for your support of the New York Alliance and I look forward to seeing you in February,
